

## **INDUSTRIAL ELECTRICIAN II (351-01)**

SALARY: \$38,646.40 - \$51,979.20 annually, plus liberal fringe benefits

### **THE POSITION**

This is skilled, journeyman level work in the installation, modification, maintenance and repair of a variety of industrial electrical and electronic systems and equipment.

An employee in this class is responsible for performing assignments of more than average difficulty, requiring the application of electrical trade skills in the diagnosis, installation, maintenance and repair of highly complex electrical wiring systems, lighting equipment, motors, industrial motor control systems, generators, transformers, and other electrical and electronic systems and equipment. This class is differentiated from the industrial electrician class by the responsibility for designing, building and installing specialized electrical control cabinets, rebuilding controls for programmable logic controllers and other related work of similar complexity and difficulty. Work assignments may be oral or written and may be accompanied by sketches, blueprints, schematics or electrical diagrams. Work is inspected while in progress and/or upon compliance with specifications and standards.

**NOTE:** The duties of this position will include all of those duties set forth in the official job description.

**NOTE:** Per Chapter 295.07 of the Florida Statutes, veteran's preference points will be awarded for promotional exams only with regard to a veteran's first promotion after reinstatement or re-employment with the City from active duty service without exception.

### **THE REQUIREMENTS**

1. Be a regular or probationary City employee serving in a current permanent appointment as of the closing date of this announcement.
2. Have successfully graduated from a standard high school or possess an acceptable G.E.D. certificate.
3. Have at least five (5) years experience as an electrician in new construction and/or maintenance work, including at least one (1) year experience in industrial electrical work.
4. Additional qualifying work experience may be substituted on a year-for-year basis for up to two (2) years of the educational requirement.
5. Have a Journeyman Electrician Certificate issued by the Broward County Central Examining Board.
6. Have a valid Florida driver's license with an acceptable driving record.

### **THE EXAMINATION**

Depending on the number of applicants and the quality of their education and experience, the examination may consist of one or more of the following tests: Evaluation of Training and Experience, Oral Interview, Written Examination, or other assessment method. Applicants must attain a minimum score of 70 in each part of the examination in order to qualify. All successful applicants will be required to pass a medical examination, including drug screening, prior to appointment.

### **HOW TO APPLY**

**Application forms should be filled out completely and should clearly show that the minimum qualifications are met. Eligibility for hire may be based on a rating of the application; therefore, completeness and accuracy are of the utmost importance.** Official City of Fort Lauderdale applications will be accepted and **received** at the Department of Human Resources, City Hall, 100 North Andrews Avenue - 3<sup>rd</sup> Floor, Fort Lauderdale, Florida, up to **4:00 p.m., Wednesday, November 30, 2005.**
